Agenda

- Overall AP Score in APCSP
- Mock Exam
 - How is it calculated?
 - How did I do?
 - Reflect...

Journal

Predict your AP Score (1-5), give reasoning for your prediction.

Objectives

Content: I will understand how my final AP score is calculated.

Social: I will participate in class activities.

Language: I will read problems carefully, making note of **unfamiliar vocabulary**.

Score Calculation

Explore Task: 16% of overall score

$$8 \text{ points from rubric} * 2 =$$

Create Task: 24% of overall score

$$8 \text{ points from rubric} * 3 =$$

Multiple Choice: 60% of overall score

$$74 \text{ points from MC} \div 1.23 =$$
