

# Monday, February 11, 2019

- No Warm-up
- Post-Test
  - you should have 55 minutes to finish...
- When you finish work on the review sheet and/or homework for the week.

## Objectives:

**Content:** I will demonstrate what I know about systems of equations through the unit 5 post-test.

**Social:** I will be part of a conducive testing environment.

**Language:** I will read questions carefully and answer them to the best of my ability.
