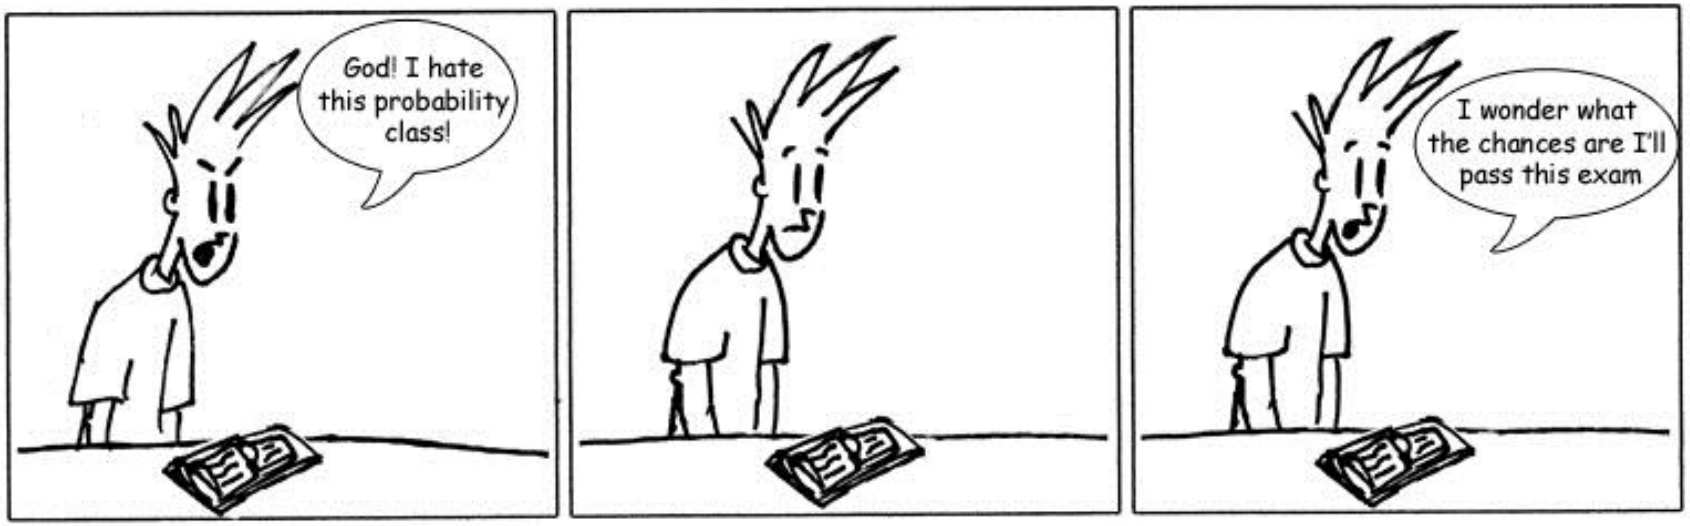
- Warm-up:
  - none today

- Test

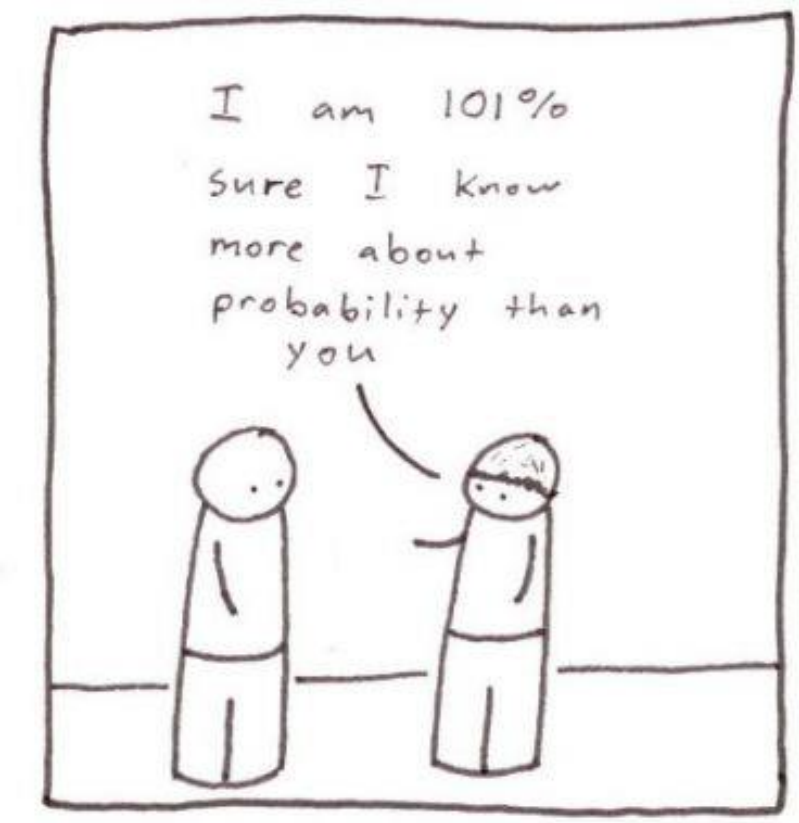
Turn in Unit Homework & Warm-up after the test

Objectives

- Content: I will demonstrate my knowledge of probability on the unit test.
- Social: I will be part of a conducive testing environment.
- Language: I will read problems carefully and answer them fully throughout the test.



God! I hate this probability class!
I wonder what the chances are I'll pass this exam



I am 101% sure I know more about probability than you
