

# Monday, March 18, 2019

- NO Warm-up
- Talk about tests
- Questions from Review
- PBL Work
- FINAL

# Objectives

- *Content: I will do my best on this final, showing my work on the scratch paper.*
- *Social: I will be respectful of my classmates, honoring them through my behavior during testing.*
- *Language: I will read questions carefully so that I can answer them correctly.*

# *Talk about Tests*

# PBL Work

- **Advertising Specialist** - start to put together the flyer that you will be giving out
- **Economist** - combine your expenses with the linear estimate from the Market Analyst to build your quadratic equation.
- **Market Analyst** - combine your linear estimate with the expenses from the Economist to build your quadratic equation.
- **Social Impact Specialist** - combine data from other similar companies to estimate what people might be willing to pay

**\*\*Some of you may want to work with others who have the same role from the other groups\*\***

# Final
